

## THE IPCH EUROPEAN CHAMPIONSHIP 2020 POSTPONED DUE TO COVID-19

Due to the current situation with the COVID-19 (Coronavirus). The IPCH and Local Organizing Committee have decided to postpone the IPCH European Championship 2020 in Pajulahti, Finland.

It hasn't been an easy decision, but we have assessed the situation and by recommendations from the Finnish government and because our Powerchair Hockey community is more vulnerable to the COVID-19, we don't see any other options than to postpone the event.

The Finnish government have just announced that all events with more than 500 people and events with vulnerable groups should be canceled until earliest end of May. This has also been a deciding factor, since this is very close to the start of the European Championship and the cancellation of events can easily be extended.

The event that would have been taking place from the 1-8. June will now be postponed to a later date. We have still not secured a new date, but the Local Organizing Committee is working hard to secure new dates as soon as possible.

We will return with more info as soon as possible!

IPCH Chairman  
Fabio Rodo
