

JAYDEN CHABAN

SUMMARY

I recently completed my undergraduate degree and am actively involved in the Canadian parasport community as both an athlete and leader. I currently serve on two national parasport boards and compete on two national teams, experiences that have strengthened my commitment to growing and advancing para sports across Canada and internationally. I am especially passionate about increasing female participation and representation across powerchair hockey and power football.

PARASPORT LEADERSHIP & GOVERNANCE

(2025 - present)

IPCH Athletes & Coaches Committee

- Currently serve as the only Canadian and non-European representative.
- Help guide the development of powerchair hockey by bringing forward the perspectives and experiences of athletes.

(2025 - present)

PowerHockey Canada Board | Director

- Support the ongoing development of powerchair hockey nationally and internationally.
- Assist with grant applications to ensure the financial stability of organization.

(2024 - present)

CDPP Risky Play Working Group

- Assist with research steering around children with disabilities and risky play.
- Review research questions, interview processes, and recruitment.

(2023 - present)

Power Football Canada Board | Director of Communications

- Manage social media and website.
- Coordinate logistics and planning for Team Canada's participation at various national and international competitions.
- Manage fundraising for Power Football Canada.

TEAM CANADA EXPERIENCE

(2024 - present)

Power Football Canada National Team

- Attended World Cup qualification tournament in 2025 (Phoenix, USA) and selected as Team Captain.
- Support the growth and development locally by helping to facilitate training camps and coaching.

(2022 - present)

PowerHockey Canada National Team

- Participated in the IPCH World Championships 2022 as well as three other international tournaments thus far with Team Canada
- Selected as Team Canada's Alternate Captain for the IPCH World Championship 2026.
