Dorothee Vogelesang

Secretary IPCH

I am interested in becoming the secretary for the IPCH. This would be a great opportunity and honour, to help and support sports for all, and hopefully connecting the international floorball world to the powerchair sport.

Profile

International volunteer for the International Floorball Federation (IFF), supporting new countries in their development as a federation before becoming an official member of IFF. Scrutineer to IFF Secretary for membership meetings and IFF GM, since 2020. Experienced in project management, club and federation management, referee education and support and as secretary of the Dutch Floorball Federation (NeFUB). Although the IPCH as an organisation is quite new to me, I combine a good understanding for overall sports and communication needs, have an international network and community as my current roles are i.e. project lead for the integration of Powerchair Hockey into the Dutch Floorball Federation (NeFUB), as well as IFF Liaison for the current NeFUB board. I have been the secretary general of NeFUB for 12 years, which I stepped down from as my maximum term was reached.

I combine my passion for the floorball and wheelchair sports as an (inter)national referee for IFF and the parafloorball (hand driven wheelchairs).

Experiences Volunteering

CURRENT

- 2026: Secretary General for HSK Floorball, floorball sport association of The Hague
- 2025: as project lead for the integration, I am managing the process of moving the powerchair sports from the Dutch Hockey Federation into NeFUB.
- 2025: IFF Liaison for Dutch Floorball (NeFUB) supporting the board of floorball in the international management and connecting the Dutch leagues and needs to the international perspectives and vice versa
- 2025: Secretary General and Treasurer for Dutch Floorball Foundation, the official organisation behind the upcoming event in Arnhem, NL.
- 2023: Referee Coordinator, supporting and developing referees for floorball in the Netherlands

PREVIOUS

- 2016-2025: Secretary General for NeFUB. Focussed on regaining control of the association as a company, enhancing sports participation and knowledge of floorball in the Netherlands. Creating collaborations and connections with other associations, national and international. Creating standards and communication to enhance connections with clubs and players, enhancing the professional approach of the federation and the sport.
- 2013-2020: Competition planner for NeFUB, creating balanced schedules for all teams in competition and tournaments, creating clear guidelines for all teams to understand choices of scheduling.

Experiences Volunteering

- 2023-Current: Creating contracts and managing relations and stakeholders for Dutch Government
- 2019-2023: Contract manager for an Oil and Gas company, incl. relationship and stakeholder management. Supervisor of administrational support and development team.
- 2007-2019: Engagement officer, project management support and Experience event coordinator for an IT company – responsible for finance and resource planning and reporting, several organisational and secretarial tasks

Languages and skills
